Main Material	Leather		
Features:	Inserts ½, 1 cm.		
Product details	Weight: 100 grams,		

Product description:

The Recoil Pad/Stock extender from Mjoelner Hunting, in 100% real leather beautiful stitched for strength and durability. It features a special cushion of material specifically designed to soak up ‘Kickback’. It is a beautiful quick alternative to a permanent fitted pad. It simply slips onto most shotgun or rifle stocks, by means of an elastic gusset which holds it firm.

Optics and optics accessories

Heimdal Optics

Heimdal Optics is a high-quality Scandinavian Optics Brand.

At Mjoelner Hunting we partnered up with our friends at Swampfox Optics in the US. They make high-end optics, primarily for military, police and other tactical purposes.

With Swampfox's knowhow and volume to support us, we designed and developed a line of optical products ideal for hunting in the Nordics. Heimdal Optics gives you tier one quality, mechanical precision, durability, and usability.

The Heimdal Optics range consists of rifle scopes, binoculars and other optical products.

Heimdal Optics, like its name father, sees far, illuminates, and reveals deception.

High quality durable riflescope cover in neoprene. Easy one-hand operated on-and-off use. Bottom pull-loop makes simple cover solution and quick removal. Front strap, to prevent cover from falling when in off duty. One-piece design with no top seams to better seal out the elements. 3 mm-thick neoprene construction offers protection from outdoor hazards.

Hunting Accessories

Product: **The Mjoelner Four-legged Shooting Stick Fenris I**

Name: Fenris I

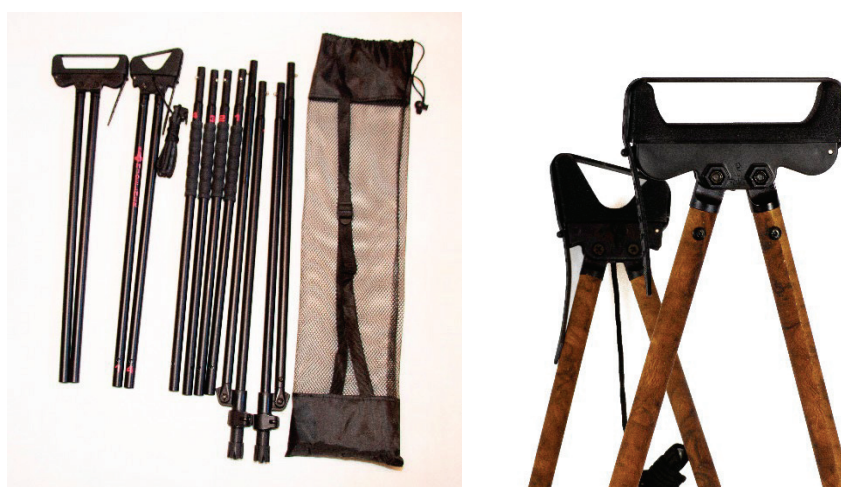

Style 1031201070

Color: 10312010705 Fenris I, Traveler, Black, (EAN 5714414030052)
10312010704 Fenris I, Traveler Camo (EAN 5714414030045)

Main Material Aluminum

Features: Special forces-like foot strap, silicone handgrips, variety of shooting positions.
Fenris I Traveler: 3 sections, < 60 cm. including traveler bag.
Fenris I Camo: 2 sections, 80 cm.

Product details Measurement: H: 156 - 180 cm, Weight: 1000 grams,

Product description:

The Mjoelner Shooting Stick, properly the best on the market. Provides you with a rock-solid shooting platform with a huge variety of possibilities regardless of the terrain and shooting positions. Ergonomic contoured silicone handgrips provide a nonslip warming hold, that also avoid clapper sound from the legs. Silicon gun rest secures a silent handle. Silicone gun straps secures your gun in waiting situations and makes target switching fast, easy, and silent. Special forces-like foot strap in paracord acts as the “fifth” leg and improves your capability in standing long range shooting. Traveler: 3 sections, < 60 cm. including traveler bag. The Mjoelner Stick is second to none.

Product details			

Product description:

Snap Caps are a safe and effective way of relieving the tension on your gun's firing pin. Available in different calibers. Spring-loaded primer. Snap caps are ideal for safety training and functional tests. The snap caps from Mjoelner Hunting are equipped with a spring-loaded "primer", which provides the optimal "dry shot". No confusion with live ammunition due to the cobber red / orange marking. Corresponds to the dimensions of the original cartridge.

Private Label Products

If you can use it, ... we can produce it!

Privat Label

Producing private labels products for customers is another of our core competencies.

We produce private labels for both individual shops as well as retail chain stores. We make accessories ranging from standard products with own logo, such as rifle slings, Gun slips and cases, cartridge wallets, etc. ranging on to specific hardware productions where customers can benefit from our many years of experience and know-how.

Challenge us!
